

LIST OF SCENE STARTERS

Astronauts whose spaceship is about to crash into Mars

You just realized you're locked in the library/store/school overnight

The boat starts going down and there's only room for one more person on the lifeboat

You just met your long lost twin you never knew you had

The very first meeting of the anti-superheroes

Studying at the library (where you SHOULD be quiet) but you have BIG news to share

Interrogating a criminal to get them to confess to a crime

Employees are convinced their new boss is secretly a vampire

Animals plotting to escape the zoo but the zookeeper is onto them

A wedding where someone objects to the marriage
